

On or before March 31, 2020, every battery hauler and processor shall register with the Resource Productivity and Recovery Authority (RPRA).

A battery hauler is the person who arranges for the transport of batteries that are used by a consumer in Ontario and are destined for processing, reuse, refurbishing or disposal, but does not include a person who arranges for transport of used batteries generated by that person.

A battery processor is the person who processes, for the purpose of resource recovery, batteries used by a consumer in Ontario.

If your company is a battery hauler and processor you must use this form to register.
