1. From the **Hazardous Waste Registry Homepage**, click the **New Manifest** button.

The screenshot shows the 'Hazardous Waste Registry Homepage' with a navigation menu at the bottom containing 'Manifests', 'Facilities', 'Waste Streams', 'Invoices', and 'Add Roles'. The 'New Manifest' button is highlighted with a red box.

2. Use the search bar to locate the facility you want to add to the manifest. You can search using your generator number, company name, facility name, or facility location. Note: Your search terms must include at least five (5) characters.

The screenshot shows a search bar with the placeholder text 'Enter search terms here' and a magnifying glass icon. Below the search bar, it says 'No Results'. At the bottom of the search interface, there are 'Cancel' and 'Save & Next >' buttons. A red box highlights the search input field.

3. Select the desired facility.
