What is Hazardous and Special Products supply data reporting?

HSP supply data is an annual report that producers of **fertilizers** with obligations under the [Hazardous and Special Products Regulation](#) are required to complete. Producers are required to report whether their revenue is above or below \$2 million, provide a [list of brands](#) supplied into Ontario in 2022 and pay the associated [2023 program fee](#).

Submitting supply data determines a producer's requirements for the following year.

This guide will assist producers with understanding what data they need to report and provide step-by-step instructions on how to complete the report in the Registry.

Further information about the HSP Regulation can be found on RPRA's [website](#).

If you have further questions that are not answered in this guide, please contact the Compliance Team at registry@rpra.ca or call 1-833-600-0530.

How to log into the Registry as an account admin

The supply data report is completed online through RPRA's Registry.

You can access your Registry account here: registry.rpra.ca

Tips for logging into the Registry for the first time:

- If you don't have an account, click "Don't have an Account? Create a new Account"
- The Registry **will not work** with the Internet Explorer web browser. Google Chrome is the recommended web browser to use

Tips for logging into an existing Registry account:

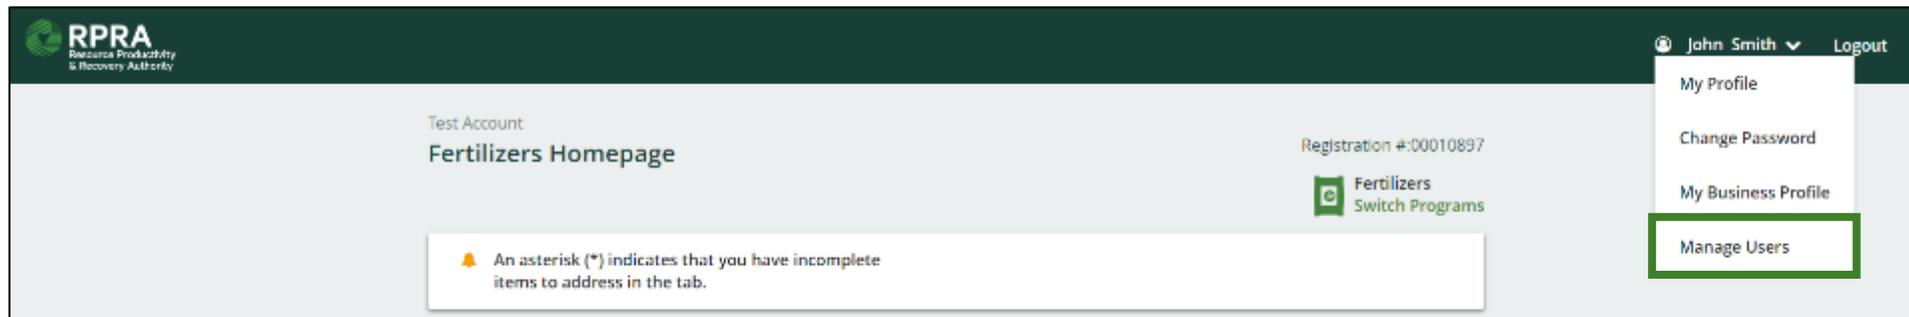

- If you already have an existing Registry account, you do not need to create a new one.
 - Simply log into your existing account, which will bring you to the homepage where you will see all programs you are enrolled in
 - If you have forgotten your password, click "Forgot Password" on the login screen and follow the instructions provided

How to manage contacts on your Registry account

Account admins must add any new or manage existing primary contacts under the program they wish to give them access to (e.g., permissions to view and complete reports). Read this [FAQ](#) for more information on user levels in the Registry.

To manage contacts in your Registry account, see the following steps or watch our [how-to video](#):

1. Once you are logged into your account, click on the drop-down arrow in the top right corner and select **Manage Users** as shown below.

How to manage contacts on your Registry account cont.

1. Click **Add New User** to add an additional user to your account.
2. Under Action, click **Manage** to update preferences of existing users.

1 Upload List of Brands Supplied

Provide a list of all brands you included in your supply regardless of why you are the producer for them.

Please ensure the list of brand meets the following requirements:

- Save the list of brands as an Excel CSV file. The file must be encoded as UTF-8.
- Using Column A only, list each brand in a separate line, resulting in one brand name per row. Do not enter data in any other columns.
- There are no headers present in the file (only the names of supplied brands).
- Brand names only include these characters: alphanumeric, space, hyphen, periods and parentheses.
- Brand names do not include special characters like quotes (double or single), brackets and semicolons.
- File size is less than or equal to 5 MB.

How to manage a PRO in your Registry account

Managing a PRO

Reporting responsibility selection

As a producer, you can **add a PRO(s)** to report on your behalf on the Promotion and Education requirements from the Homepage.

1. If you will not be contracting with any PRO, click the **No** button.
2. If you are contracting with one or more PROs to act on your behalf, click the **Yes** button.

1

My business will not be contracting with any PROs.

2

My business has contracted one or more PROs.

Has your business contracted one or more Producer Responsibility Organizations (PROs) to act on your behalf?
If so, click Yes to identify them, their responsibilities, and provide them access to report performance on your behalf. Only make a selection once you know whether or not you will be working with a PRO.

Managing a PRO

Reporting responsibility selection cont.

If you are contracting with one or more PROs to act on your behalf, and have clicked the Yes button, you will be taken to another screen to Manage Reporting Responsibilities. Only Account Admins can select PROs.

1. Select the PRO that will be reporting on your behalf from the drop-down menu.
2. You will select the **year of service start and end date**. Once you have added them, the PRO will see the reports they are required to complete.
3. To add additional PROs, click **Add PRO**.

The screenshot shows the 'Manage Reporting Responsibilities' form. It is titled 'Manage Reporting Responsibilities' and includes a header with instructions: 'Indicate whether you will be reporting your own performance in part or in whole. If a PRO will be reporting on your behalf, select "Does not report" from the dropdown list.'

The form is divided into two main sections. The first section is for the 'Producer' and 'Responsible for Performance Report'. It features a dropdown menu for the Producer, currently showing 'TopNotchAuto', and another dropdown menu for the Responsible for Performance Report, currently showing 'Does not report'. A green box highlights the Producer dropdown, and a green circle with the number '1' is next to it. Below this section is a note: 'If you select "does not report" for the producer, you must identify the PRO(s) who will be reporting on your behalf and select "reports in full" or "reports in part".'

The second section is for adding PROs. It is titled 'Select the PROs that will be reporting on your behalf. If you have multiple PROs reporting your performance select "Reports in part" from the dropdown list.' It contains a table with columns for 'PRO', 'Service Start Date', 'Service Stop Date', and 'Responsible for Performance Report'. The table has one row with 'CRM PRO', '1-Jan-2023', an empty date field, and 'Reports in full'. A green box highlights the table, and a green circle with the number '2' is next to it.

At the bottom right of the form is a green button labeled 'Add PRO', highlighted by a green circle with the number '3'. At the bottom left is a checkbox labeled 'I confirm that I have a contract with the PROs identified and authorize them to have access to report performance data on my behalf.' which is checked. At the bottom center are 'Cancel' and 'Done' buttons.
