As owner or operator for the above stated site,

☐ I confirm that the following procedures have been developed and applied, and will continue to be applied at this depot, in accordance with Part I of the document entitled “Rules for Soil Management and Excess Soil Quality Standards” (Soil Rules):

1. Procedures to receive and account for every load of excess soil to be deposited at the depot, including procedures to track the type and volume of each type of material and the site from which the material was received.
2. Procedures to ensure that the storage and processing of excess soil at the depot does not cause an adverse effect and complies with any applicable storage and processing requirements in the Soil Rules.
3. Procedures to ensure that all relevant reports and information in respect of the excess soil to be deposited at the depot are obtained by the owner or operator before the excess soil is deposited at the depot.
4. Procedures to ensure that before the owner or operator of the depot permits a load of excess soil to be deposited at the depot, the load is inspected by the owner or operator of the depot or a person acting on their behalf to ensure the load is appropriate for depositing at the depot and

that it is consistent with any reports and information referred to in paragraph 3.

5. Any other procedures in respect of the operation of the depot as set out in the Soil Rules.

☐ I confirm that the information filed in the Registry is complete and accurate to the best of my knowledge.

☐ I understand that the information provided as part of this notice, including this declaration, will be made publicly available.

☐ I understand that the information in this notice must be updated within 30 days after the day the owner or operator of the site becomes aware that the information is no longer complete or accurate.
