ORDER NO.: RPRA-0014

I, Ellen White, am issuing this Administrative Penalty Order (“AP Order”) because I am of the opinion that Daedong Canada Inc. has contravened the *Resource Recovery and Circular Economy Act, 2016, c. 12, Sched. 1* (the “Act”) or the regulations.

Excerpts of the Act and the Administrative Penalties Regulation made under the Act relating to Administrative Penalty Orders are attached.

CONTRAVENTION

I am of the opinion that Daedong Canada Inc. has contravened the following provision:

1. Section 88 of the Act: Failure to comply with a compliance order

DESCRIPTION OF THE CONTRAVENTION

The Resource Productivity and Recovery Authority (“RPRA”) issued Compliance Order RPRA-0006 to Daedong Canada Inc. on May 16, 2024. Daedong Canada Inc. failed to complete the actions described in Compliance Order RPRA-0006 by the deadline of May 31, 2024. Daedong Canada Inc. has failed to provide details regarding steps taken to address non-compliance.

RPRA issued Daedong Canada Inc. a Notice of Intention to Issue an Administrative Penalty on August 16, 2024. Daedong Canada Inc. failed to remedy the contravention within 21 days of being served with the Notice of Intention.

AMOUNT OF THE ADMINISTRATIVE PENALTY

The Deputy Registrar has determined that the following administrative penalty amounts are appropriate and reflect the fact that the contravention has continued following the Notice of Intention to Issue Administrative Penalty Order and continues to the date of this AP Order.

1. **Section 88: Failure to comply with Compliance Order RPRA-0006**

TOTAL PENALTY FOR THE CONTRAVENTION: \$75,000.00

Base penalty: \$75,000.00

The base penalty is determined by multiplying the applicable base penalty amount by the number of days the contravention occurred.

The maximum daily base penalty amount for contravening section 88 is \$2,500.00 per day. The factors set out in the table below were considered in determining that the applicable base penalty amount in this case is \$2,175.00.

The contravention commenced on June 3, 2024, and continues to the date of this AP Order. The applicable base penalty is therefore multiplied by 120 days.

Factor	Considerations	Factor points available	Assessment of Impact	Assessed points
i. The contravention's impact, if any, on RPRA's ability to carry out its objectives	Compliance orders are of critical importance to the statutory scheme. Failure to fulfill a compliance order hinders RPRA's ability to carry out compliance and enforcement objectives and consumes considerable resources.	30	High	25
ii. The contravention's impact, if any, on resource recovery and waste reduction of a class of materials designated for the purposes of section 60 of the Act.	Section 88 contraventions delay the producer's fulfillment of its obligations under the Tires Regulation, and impact the public's overall trust in the system for tires recovery. Non-compliance with compliance orders creates an uneven playing field for tire producers and increases uncertainty in the tires program.	30	High	22
iii. A. History of compliance of the obligated party.	The Registrant has multiple report submissions outstanding.	20	High	20
iii. B. Any steps taken or not taken to remedy the contravention.	The Registrant has failed to remedy the contravention after multiple reminders. All deadlines to remedy the contraventions have passed. The Registrant has not provided any explanation for the contravention and did not provide	20	High	20

EXCERPT OF THE ADMINISTRATIVE PENALTIES REGULATION MADE UNDER THE RESOURCE RECOVERY AND CIRCULAR ECONOMY ACT, 2016

Issuing of order

6. (1) Without limiting the contents required under subsection 89 (7) of the Act, an order shall,
- (a) specify the provision that the person has contravened and describe the contravention, including the day, days or parts of days on which the contravention occurred;
 - (b) set out the final amount of the administrative penalty, and as part of specifying the final amount of the administrative penalty, specify the final base penalty amount and the final amount for economic benefit, including,
 - i. a description of the manner in which the final base penalty amount was determined,

 - iii. any consideration given by the Registrar or Deputy Registrar to any request made under section 4;
 - (c) give particulars respecting the time for paying the penalty and the manner of payment; and
 - (d) provide details of the person's right to require a hearing under section 91 of the Act.
- (2) A single order may require a person to pay an administrative penalty in respect of one or more contraventions.

Administrative penalty amount, general

7. (1) Subject to subsections (2), (3) and (4), the administrative penalty amount under subsection 89 (2) of the Act in respect of a contravention shall consist of the following, determined in accordance with this Regulation:

- 1. A base penalty amount.
- 2. An amount for economic benefit.

(2) The administrative penalty amount in respect of a person's contravention of a provision set out in Schedule 1 shall not exceed \$1 million.

(3) The administrative penalty amount in respect of a contravention of a provision set out in Schedule 2 shall not exceed \$1 million minus the total amount of any administrative penalties in respect of the contravention of the same provision by the same person in the previous 365 days.

(4) If, after determining the administrative penalty amount in respect of a contravention in accordance with subsections (1), (2) and (3), the Registrar or Deputy Registrar determines that, due to its magnitude, the imposition of the administrative penalty is punitive in nature having regard to all the circumstances, including any other administrative penalty amounts in respect of contraventions under the same order, the Registrar or Deputy Registrar shall reduce the amount such that the imposition of the administrative penalty is consistent with the purposes set out in subsection 89 (1) of the Act.

Base penalty amount, determination

8. (1) For the purposes of setting out the proposed base penalty amount in a notice under subsection 3 (1) and the final base penalty amount set out in an order under subsection 6 (1), the Registrar or Deputy Registrar shall determine the base penalty amount in accordance with the following rules:

1. The Registrar or Deputy Registrar shall consider the following factors:
 - i. The contravention's impact, if any, on the Authority's ability to carry out its objects.
 - ii. The contravention's impact, if any, on resource recovery and waste reduction of a class of materials designated for the purposes of section 60 of the Act.
 - iii. With respect to the person who carried out the contravention,
 - A. the person's history, if any, of complying or not complying with the Waste Diversion Transition Act, 2016 or its regulations or with the Resource Recovery and Circular Economy Act, 2016 or its regulations, and
 - B. any information available to the Registrar regarding whether the person has remedied the contravention or is in the process of remedying the contravention, and how quickly the contravention was or is being remedied.
2. For a contravention of a provision set out in Schedule 1, the base penalty amount shall not exceed the applicable maximum base penalty amount, as set out in the applicable Table to Schedule 1.
3. For a contravention of a provision set out in Schedule 2, the following rules apply:
 - i. The daily base penalty amount shall not exceed the applicable maximum daily base amount, as set out in the applicable Table to Schedule 2 and shall be multiplied by the number of full or partial days during which the contravention continued before it was remedied.

ii. The base penalty amount in respect of a contravention shall not exceed the applicable maximum total base penalty amount, as set out in the applicable Table to Schedule 2, minus the total of any base penalty amounts included in administrative penalties that were imposed in respect of a contravention of the same provision by the same person in the previous 365 days.

(2) For the purposes of paragraph 3 of subsection (1), a contravention of a provision set out in Schedule 2 that requires a person to do something within a particular time period shall be considered to have been remedied when the person has done it, even if the person has done it after it was required to be done.

Amount for economic benefit, determination

9. The Registrar or Deputy Registrar shall consider the following factors when determining, with respect to a contravention of a provision set out in Schedule 1 or 2, the proposed amount for economic benefit to be set out in a notice under subsection 3 (1) and the final amount for economic benefit to be set out in an order under subsection 6 (1):

1. Costs that the person avoided incurring by failing to comply with the provision.
2. Costs that the person delayed incurring by delaying compliance with the provision.
3. Gains that the person has accrued by failing to comply with the provision.

Determination of final administrative penalty amount

10. (1) The Registrar or Deputy Registrar shall, when determining the final administrative penalty amount to be set out in an order, reapply sections 8 and 9 and redetermine the base penalty amount and amount for economic benefit if the Registrar or Deputy Registrar considers it to be appropriate based on any additional information now available to the Registrar or Deputy Registrar that was not available at the time of giving the notice under subsection 3 (1), which may include information regarding the continuation of the contravention following the giving of the notice.

(2) In making the determinations under subsection (1), the Registrar or Deputy Registrar shall consider any information contained in a request received under section 4.
