

RPRA

Registration Process

Collectors
Haulers
Retreaders
Processors

September 2018

The background is a dark, abstract digital scene. It features glowing green lines and patterns that resemble binary code or data streams. There are also some blurred, colorful light spots in the lower-left corner, adding a sense of depth and motion. The overall aesthetic is high-tech and futuristic.

**What can you expect when you
register with the Authority?**

**Here is a step-by-step walkthrough
of the registration process.**

Table of Contents

1. Producers with multiple roles
2. Setting up your Registry Account
3. Collectors
4. Haulers
5. Retreaders
6. Processors
7. Managing Multiple Roles

IMPORTANT!

If you have multiple roles incorporated as one business:

Create one account and manage all of your roles from that one account.

If you have multiple roles incorporated as separate businesses:

You must create a separate account for each incorporated business.

If you are unsure about which category applies to you, contact Registry Support at (647) 496-0530 or toll free at (833) 600-0530.

Section 1

Producers with multiple roles

1.1. Add additional roles

If you are a producer who is already registered, you are able to add additional roles.

You can add a role by clicking “Add Roles”.

Section 2

Setting up your Registry Account

2.1. Registration checklist

Do you have everything you need? This is a list of items to prepare prior to starting the registration process.

TIP: Clicking on green text will give you more information or clarification on a topic.

This 9-digit number is issued by the Canada Revenue Agency. If you do not have a CRA number, please contact Registry Support at (647) 496-0530 or toll free at (833) 600-0530.

This is the name you use in contracts, invoices, negotiable instruments and orders for goods and services issued or made by or on behalf of your business.

If you are previously registered with OTS, you would have been assigned an OTS registration number.

Before you Create an Account and Register

Do you have everything you need?

If you already have an account, log in [\(here\)](#) to register as a service provider

1. I have confirmed that my company needs to register as a Service Provider, which includes Collectors, Haulers, Retreaders and Processors [\(more\)](#)
2. I have confirmed that I have what I need to register [\(more\)](#)
3. I have been given the responsibility for registering my company and will be the primary contact for RPRA
4. I have the following information needed to create my Registry account:

- CRA Business number (BN)
- Legal Business Name
- Ontario Tire Stewardship Number (if applicable)
- My business address and phone number [\(more\)](#)
- Address of where you work (if different from the main office)
- Contact information for your billing contact (this may also be added later)

You must complete all fields during the registration process, unless indicated as optional.

Next Step >

2.2. Enter your business number and name

This 9-digit number is issued by the Canada Revenue Agency. If you do not have a CRA number, please contact Registry Support at (647) 496-0530 or toll free at (833) 600-0530.

This is the name you use in contracts, invoices, negotiable instruments and orders for goods and services issued or made by or on behalf of your business.

If you operate your business under a different name than your legal name, enter it here. If not, simply copy the legal business name.

Create Account

2.7. Account created

Once you create your account, you will see this message.

Consult the tips in the drop-down list. To avoid missing an email from the Registry in the future, please add "registry-no-reply@rpra.ca" to your email safe list. If you still do not receive an email, please contact Registry Support at (647) 496-0530 or toll free at (833) 600-0530.

2.8. Activate your account

Once you create your account, you will receive this email with instructions on how to finish creating your account.

After you click on this link, you will receive a second email with a verification code. You will need this code to return to the registration process and activate your account.

IMPORTANT: The link to your verification code will expire after 24 hours.

NOTE: A new tab will open in your browser when you click this link. You will complete the registration process in this new tab.

Hi Bob,

Welcome to The Registry!

Your username is collector@pay-mon.com

To finish creating your account:

1. Click the link below to open the verification code page. **The link will expire after 24 hours.**
2. You will be sent another email with a verification code (2 to 8-digit number)
3. Enter the number into verification code page
4. Create your password

[Click here to receive your verification code](#)

It may take up to 10 minutes to receive the verification code email. If you still haven't received it, check your junk/spam folder.

Thank you,

The Registry Team

2.9. Receive verification code in email

This is the second email you will receive after you click on the “click here to receive your verification code” link. Remember that it may take up to **10 minutes** to receive this email.

Sandbox: Verify your identity

From: Registry Support <rpra.e2c.preprod@gmail.com>

Date: 05-09-2018 21:28:11

Your Code is: 33433

2.10. Enter verification code

This is the new tab that will open in your browser after you click on the “click here to receive your verification code” link. Remember that it may take up to **10 minutes** to receive the separate verification code email needed to complete this step.

collector@pay-mon.com [Log Out](#)

Enter your verification code

*Verification Code

Didn't receive the email?
It may take up to 10 minutes to receive the verification code email. If you still haven't received it, check your junk/spam folder.

[Next](#)

2.11. Enter your verification code

Return to this tab. This is where you will need to enter the verification code you received in the second email.

NOTE: The Registry uses two-factor authentication to ensure data security. You will receive an email with a new verification code each time you log into your account.

collector@pay-mon.com [Log Out](#)

The background is a dark, abstract composition. It features a dense field of green and white binary code (0s and 1s) that appears to be floating or falling. Overlaid on this are several translucent, geometric shapes, including a large, tilted rectangle and several smaller, irregular polygons. The overall color palette is dominated by dark blues and blacks, with bright green highlights from the binary code and a warm, orange-yellow glow in the upper right corner, suggesting a light source or a digital interface.
